Dear Friends,

I hope you are well and staying strong in this time of COVID-19. Who could have imagined even a month ago the change in our day-to-day routines and concerns?

I want to say **THANK YOU** for your commitment to Pathway and the essential services we provide. Our annual dinner and auction is such a fun and lively evening, and while we're not all together I hope to have the same excitement and anticipation surrounding our online auction! The online and mobile bidding still has that thrill... the competition... and intrinsic sense of joy knowing *you have changed the lives of Pathway children and families*. Even in times of crisis, our work is so desperately needed and your support is appreciated now more than ever.

Our foster care staff is **very busy** with short term and long term placements – infants, sibling groups, and young mothers with children are coming in to care for a variety of reasons – hospitals making room for the COVID-19 needs, shelters reducing populations to meet social distancing needs, job loss and furlough creating additional burdens on fragile family situations.

We are looking for families willing to say **YES** to children needing a home. The licensing process is quicker than ever before and *it can be accomplished all from the safety of your home*. You may join at any time! Contact foster@pathwaycfc.org to learn more.

Our licensed therapists are offering counseling and support via **Telehealth** phone and video services- accessible through your smartphone, tablet, laptop or computer. Most insurances are covering this wonderful option now that face-to-face interactions are being limited. **We are accepting new clients if you need us**. Please reach out at appointments@pathwaycfc.org or call us at 800-838-7284.

Lastly, I'm asking you to share the online auction with your friends and family through social media, texts, emails, and conversations. All items are open for bidding until 8pm on Saturday, April 18th. *Remember to bid high...it's all for the kids!* Thank you!

Thank you for caring for Pathway kids now and always!
